2024 CAE Community Groups & Mentorship

OUR PURPOSE

SPIRE ONE harnesses the collective wisdom and energy of technology executives to improve our world, professions, and the organizations we serve. We seek members who can commit to our cause and understand the value of developing self, community, and thought leadership in a trusted peer environment.

If you are a technology practitioner and executive (Director to C-level), please join our [waitlist](#) and learn more at [go.spire.one](#).
