2024 CAE Faculty Opportunities Initiative

Goals

- Coordinate and assist in showcasing the biographies and talents of those who are seeking academic positions in colleges/universities
 - Recent grads at all levels
 - Industry and government professionals
 - Current faculty who can contribute at additional schools
- Advertise open faculty positions at CAE-designated colleges and universities
- Provide a “match maker” service
 - Job seekers can find appropriate open positions
 - Colleges/Universities can find appropriate faculty
- Not a replacement for school HR portal – this is a way to assist finding matches
